

CXM Masters Trading Contest: Terms and Conditions

1. Contest Overview

- The CXM Masters Trading Contest (“Contest”) is organized by CXM Direct LLC (“CXM”). Traders compete for a total prize pool of over USD \$18,000, with the top 10 traders earning cash, tradable and withdrawable bonuses.

2. Registration

- Registration period: 04/02/2026 to 04/03/2026.
- All eligible traders must register within this period participate.

3. Eligibility

- Open to traders with a live CXM Standard or Cent account, using the MT5 platform only.
- Each trader must make a minimum deposit of \$500 to qualify.
- Only one account per trader qualifies for prizes.
- Multiple entries or shared accounts are prohibited.
- Existing clients are eligible to join this contest.
- Participants must provide real and verifiable information during registration. Fake or unverified data may result in disqualification at any stage of the Competition.

4. Contest Mechanics

- Trading begins with registered live accounts.
- Contest runs from 16/02/2026 (market open) to 13/03/2026 (market close).
- The top 10 traders are chosen based on the highest equity ROI (%).
- $$\text{ROI\%} = (\text{Net Profit} \div \text{Total deposits}) \times 100$$

5. Prize Structure

- 1st Place: USD \$10,000 Cash
- 2nd Place: USD \$5,000 tradable & withdrawable bonus
- 3rd Place: USD \$3,000 tradable & withdrawable bonus
- 4th-10th Places: \$100 tradable & withdrawable bonuses, announced via official contest communications.
- All prizes are non-transferable and awarded to qualifying live accounts and are paid within one calendar month of the announcement.
- The prizes will be credited to the winners' trading account.
- Withdrawable bonuses can be withdrawn at a rate of \$1 for every standard lot traded.

6. Trading Rules

- Max Drawdown: If your account's equity falls by 20% or more, you are immediately disqualified.
- Consistency Rule: The 30% consistency rule applies only after a trader has at least seven (7) winning trades; before that, consistency is not calculated and does not affect rankings. Once this threshold is met, the system calculates the 30% consistency metric, and no single trade's profit may exceed 30% of the trader's total net profit in order to qualify for payouts or prizes. Once breached, the 30% threshold, the account will be set to paused and temporarily removed from the ranking. Once trading becomes consistent again the account will be automatically reactivated again and will appear on the leader board.
- Positive Balance: Accounts must end the contest above USD \$500 to qualify for prizes.
- Overnight Positions: Holding positions overnight are permitted during the competition.
- Minimum trading requirement: Participants must complete at least 10 trades, on a minimum of 10 separate days during the competition period in order to qualify for prizes.
- Account Types: Only Standard & Cent accounts are eligible.
- Prizes will be awarded to the top 10 participants as determined by the contest rules.

7. CXM Rights

- CXM reserves the right to verify all trading, disqualify any trader for rule violations, as well as to modify, suspend, or terminate the contest at its discretion.
- Participants hedging between different accounts in the competition are not allowed.
- If two or more participants are using the same IP address, it will result in disqualification.
- Only one account per client is allowed to participate.
- Bots (Expert Advisors) are not allowed.
- All contest results and winners will be verified prior to the prize payout.

8. Limitation of Liability

- CXM is not responsible for technical issues, connectivity failures, or platform disruptions.
- Traders are responsible for ensuring proper functioning of their account and trading platform.
- These Terms & Conditions are originally drafted in English. If there is any discrepancy between language versions, the English version shall prevail.

9. Risk Disclaimer

- Live trading carries significant risk and volatility. Participation indicates understanding that the contest is based on live market conditions.
- Contest participation does not constitute investment advice, solicitation, or guaranteed result.
